

INTERNAL CLUB COMPETITION POOL PLACINGS SEASON 2011-12

1. In order to encourage further competition within the club and after an informal discussion at the WCPF Travelling Critique Roadshow evening amongst club members present I have divided current club members into 3 pools to provide *competition within the competition*. We will give this a go this season, evaluate it and then re-adjust, increase pools if needed next season or of course sack it as a bad idea!

2. The pools are a mixture of experience and **picked at random by me** although I have placed those photographers who we should all perhaps inspire to emulate in Pool C along with a few lesser picture takers (I include myself of course) to make up the numbers.

NOTE: IF I HAVE MISSED ANYBODY OR SHOULD ANYBODY WISH TO CHANGE POOLS, THE CUT OFF DATE TO DO SO IS 28th NOV WHICH IS THE DAY BEFORE THE SUMMER/LOW LIGHT COMPETITION - JUST INFORM MIKE WILLIAMS AT

WARMINSTERCAMERACLUB@GMAIL.COM

3. Club members who joined this season are in Pool A together. Any new members this season will also join Pool A and the rebalancing will take place next year should we continue to use this system.

4. The *Photographer of the Year* will be he/she who accumulates the most points overall regardless of which Pool they are in.

5. The winners of each pool will receive a prize - yet to be decided upon.

6. I will publish Pool placings after each competition to the website along with the scores. Scores from the first Open Competition this year WILL count.

7. To make this work, maximum support to competitions is requested. Details of internal competitions as a reminder are attached.
