

Warminster Camera Club

Summer Project 2011 – Enjoying the Summer

Some people prefer a theme for a competition, so one competition in the 2011-2012 season will have two themes – 'Enjoying the Summer' or 'Low-light Photography' (they are not exclusive).

Date: **29 November** (entries by 15 November)

On 13 November we have Tony Worobiec giving a talk on night-time and low-light photography (just in time for Warminster Carnival and Guy Fawkes Night) – which hopefully will help with the second theme.

So you have the summer to get out and take some pictures; perhaps the project will motivate you. It's a very open theme, it can be almost anything.

The only extra rule is that the summer project photographs should be taken between April 1 and August 31. Otherwise usual rules apply.

Some ideas for the summer – and there are many more:

| | |
|--|-----------------------------|
| Mells Daffodil Fair | Easter Monday 25 April |
| Imber Church | 22-25 April |
| Royal Wedding Day (parties?) | 29 April |
